Alma Duo

**A REVOLUTIONARY
TREATMENT FOR MEN**

Alma Duo is registered and listed with the FDA as a Class I medical device.

**ANY TIME.
ANY PLACE.
ANYTHING GOES.**

ALWAYS UP FOR IT

- ▶ Helps restore natural function to be ready to go at any time

NO DOWNTIME

- ▶ 15 minute treatment with no recovery time

BABY DON'T HURT ME

- ▶ Non-surgical, no injections, no topical anesthetic, no pills

KEEP GOING. AND GOING

- ▶ "The majority of my patients are still enjoying the benefits of this treatment at least a year post their final treatment."
— Boaz Appel, MD, Urologist

**THE GOLD STANDARD SHOCK
WAVE TECHNOLOGY**

Alma Duo™ uses the gold standard shock wave technology — focused low-intensity extracorporeal shock wave therapy (LI-ESWT) — to stimulate blood flow and restore more natural function.

This quick, lunch time treatment helps you to be ready for anything. No matter the moment, no matter the place.
