

Time between partners is special. It allows for connection and strengthens shared bonds. But when pleasure is not there, it can lead to lost interest.

Alma Duo™ empowers women to reinvigorate their experience and put the fun back in their function.

**ANY TIME.
ANY PLACE.
ANYTHING GOES.**

ENJOY THE RUSH.

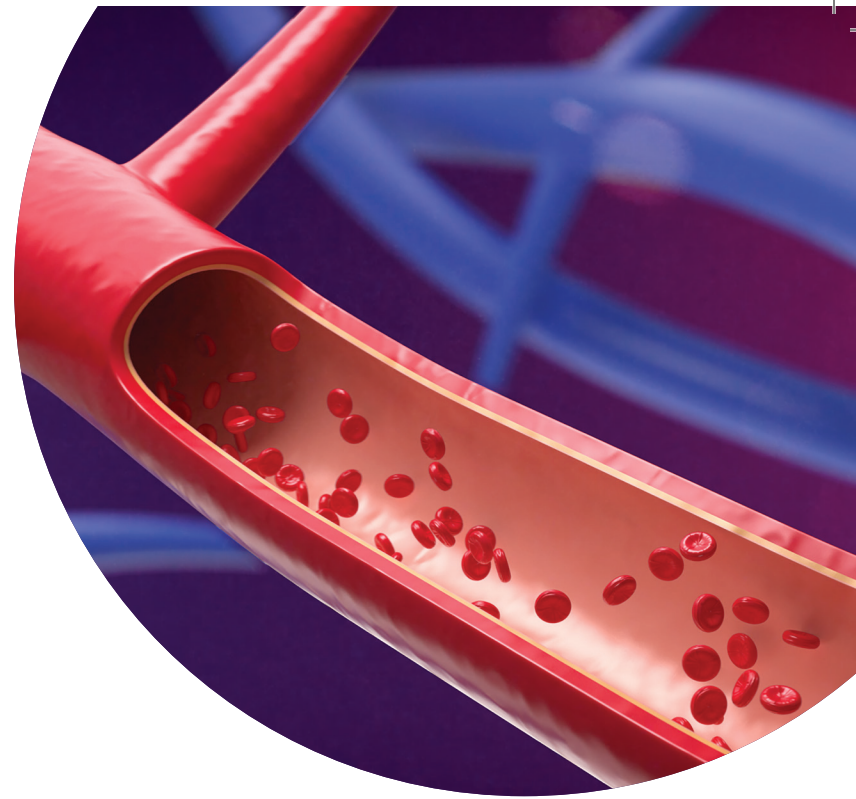

- ▶ Stimulates blood flow to support pleasure and enhance experience.

**NO DOWNTIME.
NO WORRIES.**

- ▶ Treatment takes 15 minutes and requires no recovery time.

IT'S ALL GOOD, GIRL.

- ▶ No pills. No injections.
No topical anesthetic.

**THE GOLD STANDARD
SHOCK WAVE TECHNOLOGY**

Alma Duo™ uses gold-standard shock wave technology — focused low-intensity extracorporeal shock wave therapy (LI-ESWT) — to stimulate blood flow and enhance intimate experiences.

It's quick. It's painless. It's effective. Alma Duo™ helps women enjoy the moment. Any time, any place.
